LIST OF PROFESSIONAL REFERENCES

Dr. Venkittaraman Pallipuram Krishnamani

Professor of Electrical and Computer Engineering
University of the Pacific
Anderson Hall 223
Stockton, CA 95211
+1 (209) 946 - 3072
vpallipuramkrishnamani@pacific.edu

Dr. Pallipuram was my esteemed professor in Digital Design and served as the principal advisor for my research team. Under his guidance, we pioneered an NLP-based Machine Learning Framework designed to analyze and generate tailored suggestions from student-written evaluations, specific to individual professors.

Dr. Houman Kamran Habibkhani

Professor of Computer Science
University of the Pacific
3441 N Kensington Way, CSB 105
Stockton, CA 95204
+1 (209) 946 - 2151
hkamranhabibkhani@pacific.edu

Dr. Kamran instructed me in Computing Theory and I currently have the privilege of serving as a Teaching Assistant for his Introduction to Computer Science course.

Dr. Phuc Huynh

Research Engineer
General Electric Company
1 Research Circle,
Niskayuna, NY 12309
+1 (612) 242 - 8125
phuc.huynh@ge.com

Under the direct mentorship of Dr. Phuc Huynh at the University of Illinois Urbana-Champaign's Advanced Power Laboratory, I spearheaded the integration of MQTT-based wireless connections using BeagleBone Black for solar and wind systems. His guidance was pivotal in enriching my technical expertise and project execution.
